As the parent or guardian of this student, I have read the Network Use Policy and Agreement. I understand that access is designed for educational purposes. Although CFS works to insure appropriate use as outlined in the Network Use Policy, I recognize that it is impossible for CFS to restrict all access to inappropriate materials, and I will not hold them responsible for materials acquired on the network. Furthermore, I will accept full responsibility of supervision if and when my child's use is not in the school setting. This includes, but is not limited to, responsibility for unethical or illegal activity (such as hacking, spreading of computer viruses, etc.). In the event that my child violates any of his or her obligations related to network use, I hereby release Carolina Friends School from any claims, damages, awards, or expenses (including reasonable attorney fees and disbursements) which may be suffered by Carolina Friends School arising out of any such violation.
