## Authorization to Release Information

*To the parents or guardians of students applying for admission to Carolina Friends School: Occasionally we find it very helpful to contact the school currently attended by a student applying for admission to Carolina Friends School. Please complete this form authorizing your child's school to release information regarding her or his school performance. If you are not willing for us to contact your child's school, please explain below.*

*We appreciate your cooperation as we determine how best to meet the needs of students applying to Carolina Friends School.*

School: \_\_\_\_\_
