Which services are you seeking for your child?

Remedial tutoring

Homework support

Subject matter support

Coaching

In what subject areas does your child need support?

Math

Written language

Reading

Science

Other

If you are seeking subject matter tutoring, who is the child's teacher in that subject?

When do you want the services to occur? (Circle one)

During the school day

After school

How many sessions per week do you anticipate your child needing?

1

2

3

If during the school day, what class period does your child have available in which to receive services?

If your child participated in the Student Success program last year, do you want him/her to continue with the same tutor or coach?

If so, please write the name of the tutor/coach below.

Please give us any other information that you think would be helpful for the tutor or coach to know about your child.
